Congratulations!

It is our pleasure to send you the enclosed official Canine Good Citizen® certificate recognizing the achievements of your dog. We at the American Kennel Club recognize and honor the commitment and dedication underlying this accomplishment. Every Canine Good Citizen award reinforces our goal to support and promote responsible dog ownership in our communities. By participating in the Canine Good Citizen Program, you and your dog have had a successful training experience and have become a part of our success.

Knowing that you will want to strengthen the bond between you and your dog by continuing with one of our dog training programs, we encourage you to contact the club of your choice to take advantage of their expert trainers who are there to help you train your dog. If you visit the AKC's website at www.akc.org, you will find a list of AKC clubs for Obedience, Agility, Tracking, and a variety of performance events at the following URL address:

We take pride in your achievement and offer our sincerest congratulations. If your dog is a purebred dog and does not have an AKC number, your dog is still eligible to participate in other AKC events. Go to the AKC website to learn how you may enroll your dog with an Indefinite Listing Privilege (ILP) number http://www.akc.org/registration/ilp_program.cfm. For any questions regarding the enclosed certificate, contact Sharon Wilson, CGC Coordinator, at (919) 816-3637 or email cgc@akc.org.

Sincerely,
