We make every effort to ensure the safety and happiness of your pet during their stay with us. It is your responsibility as the owner to inform us if your pet has EVER exhibited any of the following behaviors:

- *climbing
- *digging
- *hard to handle
- *aggression (toward people or other dogs)
- *hard to catch/won't come when called
- *chewing
- *fear of storms/noise sensitivity
- *escape artist

If your dog falls into ANY of these categories, while they may be allowed to exercise in designated play areas AT YOUR REQUEST, you must understand that there is a risk involved: if they escape from their play yard and will not come when called or let us catch them, although we will immediately call you for your assistance, we cannot be held responsible if they find their way off the premises.

It is the owner's responsibility to make sure that the kennel facility knows and understands fully any special instructions/needs their dog may have, whether it involves medications, limitation of activity, dog in season, cannot be exercised off-leash, requires private play yard, etc.

If for any reason, your dog needs veterinary care while staying with us, unless otherwise prearranged with your own vet, we will use the veterinarian that services our kennel or an emergency veterinarian on call in after hours situations.

We accept checks or cash in payment of our fees. We are not set up to accept any type of credit card.
